

PROGRAM 1: Pre-Buy

- Buy your entire annual requirement at a fixed price per gallon.
- Automatic delivery
- Only write one check for the entire season
- Fixed price never changes, even if the market price changes
- Any deliveries over the prepaid amount are billed at the current price at the time of delivery
- Sign-up period from June to mid-September each year
- Turn this into a Budget program to spread payments over 10 months.

PROGRAM 2: Lock-In Pricing

- Buy your entire annual requirement at a fixed price per gallon.
- Automatic delivery
- Only write one check for the entire season
- If fixed price changes and goes below pre-buy price, you will be billed at the lower price
- If we owe you money at the end of the season, we will credit your account for the next year
- If you owe us money at the end of the season, you pay it at the end of the season
- Sign-up period from June to mid-September each year
- Turn this into a Budget program to spread payments over 10 months.

All prices and terms stated can change at any time without notice.
